I Went Walking is about a young boy who goes for a walk and sees many different animals. This book has a simple, but unique art style that is fascinating to look at. Children are engaged throughout the book as they get to guess what animal the boy will see next based on the part of the animal shown in the picture.

I Went Walking by Sue Williams - Goodreads

I use I Went Walking for teaching about patterns and using repetitive text in writing. My students like to read along with the repetitive text. They also like creating their own story using repetitive text.

I Went Walking by Sue Williams | Scholastic

I discovered "I Went Walking" when I taught first grade. It was a part of their literature series early in the year. I have no children of my own and I own both the board book and the paperback edition of this book because I love the illustrations and the rhythmical quality of the text.
