Ireland - Ireland - Government and society: The Irish republic is a parliamentary democracy. Its constitution was promulgated in 1937 and can be amended through a referendum. The country's head of state, the president (uachtarán), is elected directly by the public for a term of seven years and is eligible for reelection for a second term.

Ireland - Government and society | Britannica

The toponym "British Isles" refers to a European archipelago consisting of Great Britain, Ireland and adjacent islands. However, the word "British" is also an adjective and demonym referring to the United Kingdom and more historically associated with the British Empire.For this reason, the name British Isles is avoided by some, as such usage could be construed to imply continued territorial ...

British Isles naming dispute - Wikipedia

This division among nationalists still colours Irish politics today, specifically between the two leading Irish political parties, Fianna Fáil and Fine Gael. The new Irish Free State (1922-37) existed against the backdrop of the growth of dictatorships in mainland Europe and a major world economic downturn in 1929. In contrast with many contemporary European states it remained a democracy.

Famine Echoes is a groundbreaking oral account of the Great Irish Potato Famine of 1845-52, telling the stories of its victims for the first time ever in their own words and those of their descendants. "When the potato crop failed no other food was available and the people perished by the hundreds of thousands, along the roadside, in the ditches, in the fields from hunger and cold, and ...

Famine Echoes - Folk Memories of the Great Irish Famine ...

The economic history of the Republic of Ireland effectively began in 1922, when the then Irish Free State won independence from the United Kingdom.The state was plagued by poverty and emigration until the 1960s when an upturn led to the reversal of long term population decline.However, global and domestic factors combined in the 70s and 80s to return the country to poor economic performance ...

The emergence of Ireland as an independent country is a fairly recent phenomenon. Until the 17th century, political power was widely shared among a rather loosely constructed network of small earldoms in often-shifting alliances.

Ireland | History, Geography, Map, & Culture | Britannica

In early 20th-century Ireland, the twin massacres of the First World War and the flu outbreak prompted many Irish citizens to rise up against British rule. Donoghue sees echoes of that history in our current reckoning with anti-Black racism and police brutality following the May killing of George Floyd in Minneapolis.
