Toyota Altezza Engine Diagram - contradatrinitas.it

It is cheaper to buy an IS300 and turbo it. Sell the IS200 and the supercharger kit and pick up a half decent IS300. You won't have to fuck about with wiring or swapping engines about going NA-T on an IS300, you can do it in stages, already have a working car with a 2j in it and will make just as much power as a GTE once you've put money into tuning it anyway.
