Andrée's Arctic balloon expedition of 1897 was an effort to reach the North Pole in which all three Swedish expedition members - S. A. Andrée, Knut Frænkel, and Nils Strindberg - perished. Andrée, the first Swedish balloonist, proposed a voyage by hydrogen balloon from Svalbard to either Russia or Canada, which was to pass, with luck, straight over the North Pole on the way. The scheme was received with patriotic enthusiasm in Sweden, a northern nation that had fallen behind in the ...

In Small Island, Andrea Levy weaves four people's stories (and four plots) into one cohesive narrative. Levy separates the book between past and present times, reflecting and acting, oscillating between the two. Then, she divides the narrative into four smaller narratives, having sections written from a particular character's perspective. ...
