The 9102d is a reliable machine, not requiring a lot of time in the repair shop. It's easy to use, with one exception. The lower loop area is a bit tricky to access for threading in one section. But, for the most part, 9102D owners love their machines. Janome Serger 1100D. If you are looking for a professional quality serger, you might want to check out the Janome 1100d serger.
