John Deere Rewards. Your loyalty buys you more than just equipment discounts (although you'll get those too). Depending on your membership level, you'll have access to things like coupons, low-rate financing, and the latest news from John Deere.

Snow Removal Equipment | John Deere US

We would recommend " John Deere's 80% Premium Ether Starting Fluid ". It's a colorless, odorless fluid that contains just the right amount of diethyl ether, petroleum gas, and upper cylinder lubricant that can be safely used in all of our equipment. Even in 2-cycle applications like your snow blower!

When Should I Use Starting Fluid? - Weingartz

Oil is green in color to differentiate it from two-cycle engine mix Researched and formulated by John Deere to give superior performance and protection in John Deere low emission (LE) engines Recommended for all mix ratios and all major brands of high-performance air-cooled two-cycle engines, some of which require this special certification
