Killer Species #1: Menace From the Deep - Kindle edition ...

This species make their home in the Everglades and destroy the ecosystem. Definitely this book catches my interest more than an informative biology book. Emmet Doyle is a boy who lives in Montana Reading about biology of animals is interesting but a realistic fictional book about a dangerous species in Killer Species: Menace from the Deep is even better.

Menace From the Deep (Killer Species, #1) by Michael P ...

A strange creature was recently found dead in the park, and upon seeing it, it becomes clear to everyone that this is not a native species. This is man-made.Deep in the swamp, someone has been experimenting to create a new breed of apex predator.
