Lahore: Tales Without End by Majid Sheikh

The book Lahore, Tales Without End is a selection from the articles that he wrote in Dawn and it comprises some information which has been documented and much that has not really been documented, except in the tales and stories that people tell each other as part of a living tradition. He has built the case of Lahore as a tolerant place.

The idea of a book on Lahore is hardly new. A number of books have been written on this wonderful city that has seen the ebb and flow of time through the centuries. But, there is a need for many more. For Lahore remains a virtually inexhaustible treasure of stories that inspire, instruct and entertain. Majid Sheikh in his writings on the people, places and events that constitute Lahore's ...

"Lahore, Tales Without End" speaks to us of the urbanity of the city, and the humanity of its people. But it also speaks of plunder and pillage by rulers driven by the desire to have, to acquire, to possess, to dominate and control what was not theirs. "Lahore Lahore aye", Lahore is Lahore. Nothing more and nothing less.
