Language And Sexism Sara Mills

Sara Mills takes a fresh
and more critical look
at sexism in language,
and argues that even

in feminist circles it has become a problematic concept. Drawing on conversational and textual data collected over the last ten years, and with reference to recent research carried out in a range of different academic disciplines, Mills suggests that there are two forms of sexism - overt and indirect.

book lies more in what
it has to say about
language and
discourse than in social
criticism, although it is
hard to fully distinguish
those in this topic. It is
