...

Leadership and self-deception Since its original publication in 2000, Leadership and Self-Deception has become a word-of-mouth phenomenon. This book shows how the problems that typically prevent superior performance in organizations and cause conflicts in our personal lives are the result of a little-known problem called self-deception.

applying ideas from “leadership and self-deception” The principles in this book can be applied to all aspects of your work and personal life. Based on real-life feedback from readers, Arbinger has identified 5 useful areas of application: hiring, leadership and team-building, conflict resolution, staff transformation, and personal development (more details provided in the book / summary ).

### **Book Summary - Leadership and Self-Deception: Getting out ...**

Leadership and Self-Deception draws attention to the importance of changing mindset first; specifically, about the way we view the people we interact with both at home and at work. Mindset is our lens of the world – how we see challenges, situations and people. When our mindset is outward, we view people as mattering like we matter.

### **Leadership and Self-Deception - U.S. Chamber of Commerce**

An organization is only as good as its leader. And “Leadership and Self-Deception” will teach you to become an inspiring one – since it’s not only a business fable but also a life-altering parable. So, read it specifically if you are a manager with an objective to transform your organization for the better.

Leadership and Self-Deception by the Arbinger Institute explains how self-deception derails our relationships and keeps organizations and leaders from achieving the results they want. Instead of focusing on producing results, many leaders are trapped “in the box” of distorted thinking—they blame others to justify their own failures.
