The strategy that we are using today is using the benchmark fraction $\frac{1}{2}$ to

Read Book Lesson Plan

Comparing Unit Fractions

compare fractions. If you compare two fractions, and 1 is more than $\frac{1}{2}$ and the other is less than $\frac{1}{2}$, then the fraction that is more than $\frac{1}{2}$ is greater than the fraction that is less than $\frac{1}{2}$. If you compare two fractions and they both are less than $\frac{1}{2}$ or more than $\frac{1}{2}$, draw a model of both fractions to compare them. Let's practice.
