Literary translation is a type of translation which is distinguished from translation in general. A literary translation must reflect the imaginative, intellectual and intuitive writing of the author. In fact, literature is distinguished by its aesthetics. Little concern has been devoted to the

Literary Translation - Cambridge Scholars Publishing

Practical, to the point, "get your hands dirty" kind of a guide that worked like a boost for me. Even though I can't speak any Portuguese or even Spanish and I'm not particularly familiar with Southern American culture, all of the examples seemed fully accessible to me and unveiled complexity and beauty of struggling with literary translations.
