In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

Originally published under the pseudonym Rachel Ryan as Dell Candlelight Ecstasy #21. Love's Encore was my first published book. Remember Barry Manilow's "Weekend in New England"? That song sparked the idea for this story. In it, I incorporated my love of the Deep South, interior decorating, and antebellum houses.

Love's encore (Book, 1981) [WorldCat.org]

Love's Encore is a romance novel and was originally published back in the early 1980's so you have to get yourself in that mindset when you start reading it. There is something to be said about the way romance novels were written thirty years ago. It wasn't graphic or over done. It was just as inviting and sexual.

Although the genre is very old, the romance novel or romantic novel discussed in this article is the mass-market version. Novels of this type of genre fiction place their primary focus on the relationship and romantic love between two people, and must have an "emotionally satisfying and optimistic ending.". There are many subgenres of the romance novel, including fantasy, historical romance ...
