Luck In The Shadows

Luck in the Shadows is a fantasy novel by American writer Lynn Flewelling, first book in her Nightrunner series. Set in a fictional universe, the novel follows the adventures of a complex thief and his apprentice as they are targeted by magical forces and attempt to unravel a political conspiracy.

Luck in the Shadows - Wikipedia

Luck in the Shadows fits perfectly into the classic fantasy shelf. Sadly, it does not have any added value. It has plenty of removed value, though. Enter Seregil, a noble, a spy, a lover of luxury, and a representative of a mysterious people with a tragic past.

Luck in the Shadows (Nightrunner Series #1) by Lynn ...

I must say that Luck in the Shadows by Lynn Flewelling is one of my all time favorite novels. It is the first book in what is currently a five book series. The plot is sound and moves well and I absolutely love the main characters Seregil and Alec. I have read this novel several times and for me it never gets old.

A tall figure emerged from the shadows, its dark cloak revealing nothing of its form. "Join the feast," it commanded in a voice like wind groaning down the chimney of an abandoned house. Stretching an impossibly long arm into the heap, it tugged a body loose and cast it at his feet. It was Seregil. Half of his face had been cruelly gnawed.

Luck in the Shadows has good writing, a complex plot, and enticing characters. It combines rogues and wizards, and royals and gutter rats, and places them all in a country standing on the brink of war. The book starts off with a bang, but Flewelling teases us with storylines that take whole volumes to come to fruition.
