M is a Norwegian comic strip, written by Mads Eriksen. It was published in daily newspapers such as Dagbladet, as well as in its own monthly magazine M, until December 2012.

Initially published as a guest strip in Pondus magazine, it established its own dedicated magazine near the end of 2006.

The strip gained a large fan base in Norway, much due to its quirky humour and numerous pop-cultural references. To this day, reprints are regularly published by Kollektivet
