In the months following the vote to leave the EU, the CBI has undertaken a wide-ranging consultation to gather the views of the business community. Companies and trade associations - from advertising agencies and airport operators, to water suppliers and warehousemen - have contributed their views. This report, Making a Success of Brexit, is the result of that consultation.

## **Making a success of Brexit**

Bootle claims that studies show that if Britain was no longer subject to EU regulations GDP could be improved by up to 10%. The value of the UK pound has already fallen as a result of Brexit, making British goods more competitive. Bootle's analysis shows that post-Brexit, Britain will be better off in the long term, whatever deal it negotiates.
