Making Designer Seed Bead, Stone, and... book by Tammy Powley

Add enough 11/0 seed beads to fit around the widest part of the stone. The rows need to have an even number of beads, so if the best number is an odd amount of beads, always add a bead rather than removing one. It is better for the first row to be a little loose rather than too tight. If it is too tight, it won't fit around your stone.

How to Make an Open Back Peyote Bezel

Gemstones have been used in jewelry making for as long as jewelry has existed, and many cultures associate different meanings and properties with different stones. Add interest and value to your beading projects with real semi-precious gemstone beads in a rainbow of colors and popular shapes. Our selection includes tur
