Strategic Planning Strategy Execution Balanced Scorecard. Performance measurement and performance management may sound similar, but while they are complementary to one another, they are entirely separate strategic practices. The Balanced Scorecard creators, Drs. Robert S. Kaplan and David P. Norton, played a large role in championing these terms. In 1996, Kaplan and Norton published The Balanced Scorecard: Translating Strategy into Action.

Performance Measurement Vs. Performance Management

The article focuses on answering two research questions: what is meant by “Management Control System” (MCS) and whether there is any difference between the term MCS and the similarly used term “Performance Measurement”. The answers to the outlined research questions were searched in the most influential articles based on citation numbers and top-ranking textbooks identified by the survey conducted by Strauß and Zecher (2013).
