Manual Ecg 2015

The 2015 AHA Guidelines Update for CPR and ECC is very different from previous editions of the AHA Guidelines for CPR and ECC. The ECC Committee determined that this 2015 version would be an update, addressing only those topics addressed by the 2015 ILCOR evidence review or those requested by the training network.

Guidelines: Adult advanced life support | Resuscitation ...

One of the new features in the 2015 guidelines is an emphasis on team dynamics in the resuscitation team. In order to provide optimal outcomes, each team member must be able to perform the functions of his role and must understand how his role interfaces with other roles on the team. Usually, a resuscitation team will have one team
