Instead, you can purchase a completely reman JASPER transmission and get back on the road worry-free. Go to our online catalog and get a price online, and then find a JASPER installer in your area.

Jasper Transmissions

A good estimate cost for a transmission rebuild at a shop is between \$1500 and \$3000 as of 2009. Doing it yourself would likely be under \$500, considering that all you have to pay for are the parts, not the labor. There are many variables. A rebuild is taking the transmission out of the car, opening up the case, and visually inspecting each part.
