Marabou Stork Nightmares Irvine Welsh

Marabou Stork Nightmares is an experimental novel by Irvine Welsh, and his second novel, published in the UK in 1995. The book's narrative is split into two styles: a conventional first-person account of the past and a more surreal, stream-of-consciousness account of an otherworldly present.

Marabou Stork Nightmares - Wikipedia

Marabou stork nightmares follows Roy Strang who is in a coma. We see the fantasy world he has created, the memories of his past that slowly creep back and the discussions he can hear happening around his hospital bed. This book was a truly harrowing read. It was intensely dark and difficult to read at times (because of the topic nature).
