Amazon.co.uk:Customer reviews: Mastering English ...

Tracing the development of one of the world's richest literatures from the Old English period through to the present day, the narrative discusses a wide range of key authors but never loses its clarity or verve. Building on the book's established reputation and success, the third edition has been revised and updated throughout. It now provides a full final chapter on the contemporary scene, with more on genres and the impact of globalization.
