Stein's book, *Media Power: Who is Shaping Your Picture of the World*, is an attempt to assess the present and future of journalism at a time when the industry was being buffeted by a generational change in the workforce, an increasingly adversarial government, and advancing technology. A journalism professor,

The media has a huge impact on society in shaping the public opinion of the masses.

They can form or modify the public opinion in different ways depending of what is the objective.

For example, Pakistani media influenced the public opinion against the Taliban in Swat by repeated telecast of a video clip showing whipping of a woman by a Taliban.
