Moral Relativism Steven Lukes

In this short work, Lukes (sociology, NYU; Power: A Radical View) examines moral relativism and the possible responses to its claims. He explains that there are two important parts of arguments for moral relativism: the diversity of moral views in different cultures and how our moral judgments are relative to the society in which we live.

Amazon.com: Moral Relativism (BIG IDEAS/small books ...

Although he is very aware (and succinctly delineates) the issues of “cognitive relativism” that underpin cultural, moral, and social relativism, the refreshing part of Steven Lukes’ Moral Relativism is that he applies a sociological, as well as philosophical, perspective to the issues. Without surrendering the truth in relativism, he also recognizes the need for some kind of objective standard in ethics.

Moral Relativism by Steven Lukes - Goodreads

A book on moral relativism by someone with a steely understanding of social reality. Only Steven Lukes could write it” - Richard Sennett, author of “The Craftsman”. In the current age of mass immigration, religious extremism and international terrorism issues of global morality are more pertinent than ever.

Moral Relativism (Big Ideas): Steven Lukes: 9781846680090 ...

For Lukes, moral relativism represents a fusion of anthropology and moral scepticism which sees genuine debate on moral issues as impossible. Of course, the existence of moral diversity is, of itself, no argument for moral scepticism or relativism: we might, as Lukes points out, readily accept that others think differently from us and conclude that they’re just wrong!
