Mustek - MUSTEK - SA's ICT Supplier of Choice

This is brilliant value! The video quality is good and the pictures are quite good quality too - the sound quality is very good. My only meh is that the night-time filming outside isn't very good - the lights on the front don't make a massive difference to the images going in the camera and the images I took outside in the evening don't really show up, which is a bit of a shame.

Mustek DV316L 3MPixel Digital Camcorder - Red: Amazon.co ...

Mustek does not make cameras anymore, and has not for over 5 years, so there is no support for them in any form, and this manual is the only one available for their cameras unfortunately. If you have a question about a specific feature, I may be able to give you some more info though.
