This book is a new edition to my list of novel studies for 4th and 5th graders, because I just recently read it at home with my son who is now in 5th grade. Even though it's new for us, I highly recommend it as a novel study in the classroom. My son Caleb could not put it down! He actually finished it in four days.

After writing a novel, condensing it down to a short synopsis may seem impossible. But the book synopsis is an integral part of the novel writing process. It is essential to the initial query letter you will send out, and later, a good sales tool that provides potential agents or publishers with a short overview of your story. It is also useful when creating your novel's blurb, which is a ...

Unit studies are a popular homeschooling method because they can be hands-on, literature-based, or even geared towards the Charlotte Mason method. Unit Studies typically encompass all of the scholastic subjects through the study of one topic (Weaver units or KONOS character units, for example), although they can be specific to a specific subject (like Evan-Moor science units or Teacher Created ...
