This can be as simple as focusing on your breath, a mantra (if you have one you like), or an image. You can do this for five minutes, 20 minutes, or however long you choose to be still.

15 Mindfulness Activities - Mindfulness Exercises for Anxiety

In simple terms, mindfulness is the art of being aware in the face of whatever is happening in the present moment. It's the practice of holding a sense of presence and non-judgment. Contrary to popular belief, mindfulness isn't about having a completely clear mind 24/7.

Mindfulness Exercises for Beginners Infographic Guide

One-minute mindfulness can help you savor that cereal, egg, yogurt, bread, tea, coffee, or other food you feed your body in the morning as well as throughout the day. Some people are so rushed in the morning that they skip breakfast because it takes time — although breakfast may be one of the most important sixty-second choices we make at the start of our day.
