Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

...

Oranges In No Man's Land is a short novel, probably intended for the newly confident reader of eight and up, similar in length and style to books written by Anne Fine and Michael Morpurgo. It is ideal for readers of this age. The chapters are short and there aren't many more than a hundred pages.

Oranges in No Man's Land by Elizabeth Laird - TheBookbag ...

Cut an orange into a strip. Place the orange down sideways on a cutting board, and cut the top and bottom off. Next, cut a slit into the side of the orange, all the way down to the core. The slit should go from one cut end to the other. Finally, use your fingers to pry open the orange, like a book, into a long strip.
