However, groups that operate along similar lines to what we would call organized crime have been commented on as early as 50 BCE [1]. If you're interested in organized crime in the ancient world, the book DVK mentioned, Organised Crime in Antiquity, might be a good place to start.

### **ancient history - Organized crime as a historical ...**

There are two senses in which we can use the term “organised crime” here. In the first sense, we can see the international market in illicit antiquities as a criminal market (Polk 2000), organised into a structure of relations between thieves, smugglers, facilitators, sellers, and buyers of illicit commodities.
