Paint the White House Black (Excerpt) Lyrics "White privilege" is a slippery phrase. McWhorter's understanding is rooted in measurable economic and political advantages. As a group, white people...

Michael P. Jeffries - Paint the White House Black (Excerpt ...

1. Painting the White House black would give the minorities, as well as the majority, a sense of enlightenment. It would give almost everyone a sense of peace and a resurrection of the belief that "all men are created equal". This newfound sense of peace will not only be good for the population, but it would be good for the government as well.

Paint the White House black! - Change.org

Most consider the "white" part clean and honest, but it is far worse than the color black could ever imply. A color change might say that a new time is coming, but he's pulled the same old crap...
