I am only looking for a dimensional drawing on this EXACT model Paragon. * I am trying to determine the lenght and OFFSET of the gear, and the dimensions of the output flange..

*Something like the attached.. It's buried deep in a boat 1500 Miles away from me. * Thanks.

Our digital library saves in compound countries, allowing you to get the most less latency times to download any of our books considering this one. Merely said, the paragon marine transmission manual is universally Page 1/3

Paragon Marine Transmission Manual - orrisrestaurant.com

The transmission is as far I can tell a Paragon 1XE model- fully manual. The cover plate has been removed, the engine is to the right. The little bolt right in the middle of the image is the lockscrew that holds the screw collar in position like a collar around the threaded pressure plate (immediatly to its right).
