Pasta Boat Instructions Manual - The Joint Boulder

Cooking pasta is fast and easy when using the Pasta Boat. First just pour in your favorite pasta, you could even use the handles to measure out the perfect portion. Next add water to the serving line, place it in the microwave and set the timer. With the stay cool handles you can easily take it out once your pasta is done. Just strain the pasta with the built-in strainer lid and it is ready to serve.

Pasta Boat - As Seen On TV

Doug and Brenda Dawson have a library of thousands of old boat brochures, but do not have any owner's manuals. Most boats didn't come with manuals. None of the boat builders produced an owner's manual in the early years and only a few did in the more recent years; but they were very limited in information and quite generic to either the whole boat line or boating in general.

Boat Owner's Manual - Old Boat Brochures

Favorite Answer I had to Google "pasta boat" to figure out what you were referring to. It's essentially just a microwave-safe sealed plastic tub, so I would fill it about 1/4 full of water,...
