Plagiarism, the Internet, and Student Learning: Improving ...

The best way to avoid plagiarism is to give your students tasks that require a creative and individual approach. If students have typical homework assignments, they have a strong chance to find and copy-paste materials from web resources. If a task is original, students will enjoy it and most likely do it on their own.

The Scribbr plagiarism report is similar to the report your supervisor will see, but there are two main differences: Access to more detail and resources. The Scribbr Plagiarism Checker is optimized for students, which means that you will receive a detailed report with extra information and resources to fix and prevent plagiarism.

Plagiarism Checker for Students | In Partnership with Turnitin

Most of us feel that plagiarism is morally wrong and need no other deterrent than this. However, even for those who do not feel an ethical compulsion to avoid it, the consequences of plagiarism can be quite severe for those who take the risk. For students, getting caught may mean a failing grade, suspension, or even expulsion, and for professionals the stakes are even higher as one's reputation may not be so quickly mended.

Free Plagiarism Checker for Teacher and Students

By now, most students know that plagiarism is wrong. Though many still lack the necessary skills to incorporate the works of others and cite them, most understand you shouldn't hire an essay mill or copy and paste wholesale from the internet. So why do so many students do it?

Why Do Students Commit Plagiarism? - Plagiarism Today

Emporia State University's psychology department used to see just one or two plagiarism cases a year. But with the advent of Internet "paper mills"--sites that sell student-written papers to other students--it now handles as many as 20 annually.

Keeping plagiarism at bay in the Internet age

Whether you know it or not, plagiarism does affect you in some way. It doesn't matter whether you're the content creator or the one who consumes the content, plagiarism affects us all. As a content creator (writer, author, researcher, student, freelancer, blogger, social media manager, etc.
