'Planting Gardens in Graves II' is the second book in the trilogy I am reading. It is yet another collection of poems, and some of it's many themes are heartbreak, unhealthy relationships, and learning to love yourself before you love others. This book was just as engaging as the first, but seemed to focus on you, the reader, even more.

Planting up a grave can be a consoling and meditative way to remember a loved one. The area you have to work with might be small, but there's lots you can do in a small space. It should be relatively easy to maintain, so choose low maintenance plants that will look good for a long time. This is Secret Garden content
