State of democracy in Africa: changing leaders doesn't ...

Heper and Sayarı, two leading scholars of Turkey, offer a high-quality and ambitious study that presents modern Turkish political history via the country's chief executives. Political Leaders and Democracy in Turkey develops the accurate premise that in the leader-driven world of Turkish politics, the personal histories, ambitions, Weltanschauung, and political travails of the leaders have shaped Turkish democracy more than anything else while contributing to its occasional demise.

Review of Political Leaders and Democracy in Turkey ...

The political and social situation is such that a progressive approach towards democracy is the only way to avoid conflict, chaos and regression. The leaders' role in this scenario is to show the people that the plan is to stabilize the country, provide the proper means to learn how to function in a democratic environment.

Democracy: A True Leadership Challenge

Under minimalism, democracy is a system of government in which citizens have given teams of political leaders the right to rule in periodic elections. According to this minimalist conception, citizens cannot and should not "rule" because, for example, on most issues, most of the time, they have no clear views or their views are not well-founded ...

Democracy - Wikipedia

There is a very high degree of political activism among religious leaders across the sectarian spectrum. The interplay for position and power among the religious, political, and party leaders and groups produces a political tapestry of extraordinary complexity. In the past, the system worked to produce a viable democracy.
