Fixing the Problem. How to remove speedometer cables on your Volkswagen; Find where the cabling enters the body of your Volkswagen's interior — you will see a thick gauge black wire going into the instrument cluster, that's the speedo cable. To take it out, remove anything holding it in and pull it through the passageway under the dash.

The Volkswagen LT was sold between 1996 - 2006 and was replaced by the Crafter.This big panel van was based on the Mercedes Sprinter, but it didn't get the same attention as its three pointed ...

### 1996 - 2006 Volkswagen LT | Top Speed

I found a 2011 low mileage VW Jetta Sportswagen with the 5 speed manual for right under \$14,000. I'm going to look at it tomorrow but I don't know anything about Volkswagens. I'm hoping the manual version of the Jetta wagon will have the "fun to drive" factor and still have room for a growing family plus gear.
