leadership in the community of faith. The role of the prophet and the place of justice within the prophetic message are not marginal matters for God's people, but central to the life and leadership of the community. We must reclaim prophetic leadership if we are to shape an adequate theology of leadership.

Reclaiming Prophetic Leadership

The 11 Prophetic leadership qualities are authentic, timeless and universal. They mattered in the past, are needed today and will continue to matter in the future. These qualities relate to the wider Islamic notion of character development and spiritual development, something of critical importance for leaders and the key to mitigate against corruption and other pitfalls of power.

to this is the restoration of apostolic and prophetic ministries (Eph. 2:20, 21). The unified nature of the Church will become increasingly evident as God again raises up these two "ascension gift ministries" to serve His people. Unity in the Body of Christ may well be the most important objective of apostolic ministry.
