Richard de Crespigny, Qantas's Captain Marvel CAPTAIN Richard de Crespigny, the pilot who saved 466 lives on failed Qantas flight QF32, has dodged disaster a second time. By Andrew Carswell, Clemintine Cuneo and Cindy Wockner DailyTelegraph November 6, 2010 9:29pm

Richard de Crespigny, Qantas's Captain Marvel

(Redirected from Richard de Crespigny) Qantas Flight 32 was a regularly scheduled passenger flight from London to Sydney via Singapore. On 4 November 2010, the aircraft operating the route, an Airbus A380, suffered an uncontained failure in one of its four Trent 900 engines.

Richard de Crespigny - Wikipedia

The pilot in command of the aircraft, Captain Richard Champion de Crespigny, has been credited in the media as "having guided a heavily damaged double-decker jet to the safety of Singapore Changi Airport and averting what could have been a catastrophe". At the time of the accident he had 35 years of flying experience.

Qantas Flight 32 - Wikipedia

In the very early stages of the Singapore/Sydney leg of flight QF32, one of the aircraft's four engines exploded. The damage to the aircraft was extensive. On top of ensuring that its 440 passengers remained calm during the ordeal, Richard de Crespigny had a mammoth task on the flight deck to keep the aircraft in the air and then get it back on the ground.

Richard de Crespigny

On November 4th, 2010, Captain de Crespigny was in command of QF32 flying from Singapore to Sydney. I've been on this flight a number of times but not on this occasion.

Richard de Crespigny - QF32 - Keynote Speaker

In this article, Steven Shorrock reports on an interview with Captain Richard Champion de Crespigny, on his experiences post-QF32. "Pan, Pan, Pan, Qantas 32, engine failure, number two engine, maintaining 7,400 feet, maintaining current heading. Stand by for instructions."

QF32 and Post-Traumatic Stress | Humanistic Systems

The captain of QF32, Richard de Crespigny, has written a book on the event. Predictably, its launch publicity on TV and radio played up the 'steely-eyed aviator' stereotype, but in speaking to Flight Safety Australia de Crespigny emphasised several very different messages.

QF32 and the black swan | Flight Safety Australia

In readable, entertaining and layman's terms, Captain De Crespigny lays out, not only the incredible "Black Swan event" (a crisis so unprecedented as to be completely unpredictable) that happened while he was in command that day aboard Qantas QF32, but how he and his team managed the crisis, both in the cockpit and in the cabin.

Amazon.com: Customer reviews: qf32

Hundreds of pieces of shrapnel ripped through the wing and fuselage, creating chaos as vital flight systems and back-ups were destroyed or degraded. In other hands, the plane might have been lost with all 469 people on board, but a supremely experienced flight crew, led by Captain Richard Champion de Crespigny, managed to land the crippled aircraft and safely disembark the passengers after hours of nerve-racking effort. Tracing Richard's life and career up until that fateful flight, QF32 shows ...

QF32: Amazon.co.uk: Richard De Crespigny: 9781742611174: Books

Richard remained with the RAAF until 1986 when he joined Qantas, flying Boeing 747, Airbus A330 and A380 jet aircraft. In 2010 he was the Captain on board Qantas flight QF32 when it suffered a catastrophic explosion.
