Lott, Jr., this book covers key topics such as: • Why markets are efficient allocators • How markets foster economic growth • Property rights

### Readings In Applied Microeconomics | Taylor & Francis Group

Micro vs. Macro. It should be clear by now that economics covers a lot of ground. That ground can be divided into two parts: Microeconomics focuses on the actions of individual agents within the economy, like households, workers, and businesses; macroeconomics looks at the economy as a whole. It focuses on broad issues such as growth, unemployment, inflation, and trade balance.
