The Real

Science-4-Kids books are Dr. Keller's answer to the difficult territory teachers and parents navigate as they try to sort through the various philosophical perspectives found in science. Real Science-4-Kids is written as a "worldview-neutral" curriculum that Dr. Keller hopes

Online Library Real Science 4 Kids Physics I

will not only provide students with a solid foundation for science, but also give them the tools to evaluate scientific data on their own. Dr. Keller does not believe we should rely on the "experts" but instead ...
