In the story "Zolaria," the author uses symbols and imagery to argue childhood innocence and imagination can be harmful.

**Essay on Imagination | Cram**  
Imagination is within us, and on the other hand knowledge is learnt through schooling and experience. Imagination motivates or rather leads us to acquire much more knowledge and to use it in creative ways and it's because of this that we turned a rock into a spear, a spear into a bow and a bow into a gun, the square wheel into a circle, in other words we wouldn't have evolved into the race ...

Imagination essays "The world is but a canvas to the imagination." - Henry David Thoreau. Imagination lets one see many outlooks. Imagination is the core to creativity and knowledge. It is the structure of a mental picture that is unreal, and is not there for the senses to detect. Imagin

**Imagination essays**  
Three key ideas from this book will stay with me and I will expand on them here: Greene's focus on expanding pedagogy to release the imagination and narrative and art as an important way into self-reflection, critical thinking and releasing one's creativity and imagination, her argument for the crucial central role of arts in education, and finally her look at social justice, pluralism, multi-culturalism, multiple lenses and equity as integral to transformative teaching.

**Maxine Greene Releases my Imagination - Exploring Arts and ...**  
In Releasing the Imagination (1995), through narrative essays, Greene urges educators to be aware of inequities, complacency, and exclusions in everyday life and in schools. She argues that imagination and the arts can, and should, play a key role in helping educators to look on education anew, to shift inherited perspectives, and to pursue reimaged approaches for learning. [36]

**Maxine Greene - Wikipedia**  
'Let your imagination release your imprisoned abilities,' as one Robert H. Schuller put it [ 10]. So personally I agree with Albert Einstein's saying and my T.O.K essay topic, 'Imagination is more important than knowledge.

**The History Of The Imagination Philosophy Essay**  
"To release the imagination is to release the power of empathy." -Maxine Greene, educational philosopher On a chilly afternoon in mid-November, our College Writing class meets at the Neuberger Museum of Art to tour the special exhibition of the work of Engels, a Haitian American artist who currently lives in Brooklyn.
