The holiday season is upon us—which means it's a time of gratitude and reflecting on the past year. The same is true in the business world as leadership begins to finalize plans for the new year ahead. For many organizations, it also signals a time of slower operations. Because of that, this can be a tricky time of year as a quarter or even fiscal year end for sales.

Romanticism is totally different from Romance novels. Inspired by the German Sturm und Drang (storm and stress), the movement was a reaction to the constraints of rationalism and scientific thought from the Enlightenment. Romanticism is the belief that emotions and intuition are more important than logic and facts: the individual comes first and is primarily good, and nature is meant to be ...
