Research Paper On Gun Control

Having the right to control guns is an effective deterrent. All law-abiding citizens should be allowed to carry guns, this is so as to defend themselves against individuals who may have intentions of harming them such as in mass shooting cases. Controlling of arms and guns will not deter criminals from possessing guns.

Gun Control Argumentative Essay Sample - PapersOwl.com

The deficiency in gun control, therefore, sustains the government direct and indirect overheads. The authors estimated that the government incurs at least one thousand three hundred dollars annual costs on an annual basis to address gun related violent incidences and accidents experienced by both children and adults.

The firearm-related death rate also showed a steady increase from 2014, rising from 10.5 in 2014 to 12.2 per 100,000 in 2017. These statistics have inspired efforts at the federal and state levels to enact gun control legislation to reduce crime and violence. Supporters of gun control seek tighter restrictions on the sale and circulation of firearms.

Scholarly Articles on Gun Control: History, Legislation ...

Gun control is an issue that has been debated by Americans since the 1960's (Dolan 1). The debate questions the right of Americans to bear arms, this including, handguns, shotguns, and rifles. Some say a simple restriction of these arms is in order while some think they should be banned altogether (Dolan 1).
