The resource-based view (RBV) is a managerial framework used to determine the strategic resources a firm can exploit to achieve sustainable competitive advantage.. Barney's 1991 article "Firm Resources and Sustained Competitive Advantage" is widely cited as a pivotal work in the emergence of the resource-based view. However, some scholars argue that there was evidence for a fragmentary ...

Resource-based view - Wikipedia

The objective of this paper is to incorporate the entrepreneurial view point into the framework of the resource-based view of strategic management. We firstly attempt to make a brief survey of the conceptual framework of the RBV, and formulize it in a static sense by contrasting it with the competitive forces approach. Secondly, we conduct a critical assessment of the RBV from a dynamic point ...
