When you're a driver for Lyft, the most important thing to understand is that ridesharing drivers are independent contractors, not employees. That's why Lyft doesn't withhold taxes from your rideshare payments. That's also why you'll file taxes as an independent business owner when tax season rolls around. Use these tax tips to navigate your way through filing your self-employment taxes and minimizing your tax bill.

As a self-employed worker, tax deductions for business expenses are the best way to prepare an accurate tax return and lower your taxes. You can deduct common driving expenses, including fees and tolls that Uber and Lyft take out of your pay. Your biggest tax deductions will be costs related to your car. You may also want to deduct other expenses like snacks for passengers, USB chargers/cables, or separate cell phones for driving.
