The Rosie Collection - R. Riveter

Rosie the Riveter was part of this propaganda campaign and became the symbol of women in the workforce during World War II. The first image now considered to be Rosie the Riveter was created by the American artist J. Howard Miller in 1942, but it was titled " We Can Do It!" and had no association with anyone named Rosie.

Rosie the Riveter | Definition, Poster, & Facts | Britannica

The movie The Life and Times of Rosie the Riveter depicts the differences between men and women in the workforce. Although "Rosie the Riveter" was intended to empower women and increase their opportunities, in reality there was no change in the public attitudes about women and their roles in society. By 1943, thousands of women flooded the workforce, however, many were still subject to bigotry.
