Route 66 Still Kicks: Driving America's Main Street

"You'll never understand America until you've driven Route 66—that's old Route 66—all the way," a truck driver in California once said to author Rick Antonson. "It's the most famous highway in the world." With some determination, grit, and a good sense of direction, one can still find and...

Route 66 Still Kicks on Apple Books

It's a common question when people are considering their road trip, and while it's certainly true that you can no longer drive Route 66 from end to end uninterrupted, a significantly large portion (approximately 85%) remains paved and drivable.

How Much of Route 66 is Still Drivable? | Driving Route 66

Since 1926, driving down Route 66 has been the experience of a lifetime for travelers, adventurers, desperados, and dreamers. The Historic 66 website provides free information for all those who want to learn more about the legendary Route 66. While officially Route 66 no longer exists, the majority of it remains to be driven and enjoyed.

Historic Route 66

Driving cross-country on Route 66 is much slower than driving cross-country on interstate highways and you should set aside at least two weeks to complete the journey. You could do it faster if you drive eight hours a day or longer, but you'd be spending the entire trip behind the wheel and miss out on all of the cultural offerings along the way.
