Mark 6:35-46 New International Version (NIV). 35 By this time it was late in the day, so his disciples came to him. "This is a remote place," they said, "and it's already very late. 36 Send the people away so that they can go to the surrounding countryside and villages and buy themselves something to eat." 37 But he answered, "You give them something to eat."

Mantis eat every 3 minutes regardless of level, ignore these feeding intervals, this means that a lvl 150 Mantis only takes 45 minutes to get tamed, official server tested. Note that the values are for optimal cases, always bring extra supplies! For a level-dependent count of resources needed, try an external taming calculator.

Polar bears can exist in a passive, neutral, or hostile state. The cubs are passive; adults are neutral. They become hostile towards the player if they get too close to their cubs (this does not seem to happen as fast on easy difficulty).. If a cub is attacked, all adults within a 41×21×41 cuboid become hostile towards the attacker, regardless of difficulty (although in peaceful difficulty ...
