Shona Taboos Related To Pregnancy

One category of Shona taboos is pregnancy, birth and infant taboos. Pregnancy, birth and infant taboos are still observed by the Shona in Zimbabwe by even those who have embraced western science and Christianity. One therefore finds some Shona professionals such as nurses and teachers to be still observing some of the pregnancy, birth and infant taboos. It is important to note that most of the taboos included in this monograph are taken seriously by the Shona.

The Re-conceptualization of Shona and Venda Taboos ...

Tatira (2000) puts Shona taboos into roughly five categories according to themes. He groups them according to those that conscientise children on issues pertaining to health, those that warn against danger, those that are meant to guard against bad behaviour, those that are meant to prevent cruelty, and others grouped under miscellaneous.

Shona taboos: the language of manufacturing fears for ...

There are pervasive pregnancy-related food taboos and myths (PRFT) in Ethiopia. The evidence, however, is limited on whether PRFT contributes to the burden of maternal anemia. Thus, this study was aimed to determine the magnitude of PRFT, the reasons for adherence to PRFT, and the association of adherence to PRFT with anemia, among pregnant Ethiopian women.
