In other words, is The Sibley Guide to Trees as awesome as The Sibley Guide to Birds? I'd have to say yes. The Sibley Guide to Trees by David Allen Sibley is truly a tree tour de force, a worthy companion to the author's banner bird guide. One first notices how gorgeous this volume is; the graphic design is subtle but sharp.

I'm David Sibley, author and illustrator of the Sibley Guides and other books (and now apps as well) about birds and nature. I've been an avid birdwatcher for most of my life, with drawing and painting as a way of exploring nature. Simple observation always leads to new ideas and new discoveries, and one of my greatest satisfactions is learning new things about the natural world.
